

Celem naszym jest trwałe nauczenie się (zapamiętanie i umiejętność użycia w kontekście) pięćdziesięciu najczęściej używanych czasowników nieregularnych.

Robimy to tak.

1 Bierzemy pierwsze dziesięć czasowników. (Z każdym z nich robimy taką fiszkę jak niżej.)

2 Twoje zadanie polega na tym, żebyś uzupełniła/ uzupełnił luki podanymi formami czasownika, a następnie odpowiedział na pytania. TWOJE ODPOWIEDZI MAJĄ BYĆ REALISTYCZNE! Nie muszą być poprawne gramatycznie, ale mów prawdę. Wszystko to robisz ustnie! NIE ZAPISUJESZ NIC PO POLSKU NA FISZKACH. Jeśli nie rozumiesz jakiegoś słowa, oczywiście sprawdzasz je, ale nigdzie nie zapisujesz. Jeśli zapomniałaś znaczenia, sprawdzasz jeszcze raz; do skutku, aż będziesz rozumieć wszystkie zdania.

3 Pierwsze dziesięć fiszek powtarzasz przez dwa dni; kilka razy dziennie, tylko czytasz, uzupełniasz i odpowiadasz na pytania. Na trzeci dzień pierwsze pięć fiszek odkładasz i bierzesz kolejne pięć z listy. I tak dalej, aż powtórzysz wszystkie fiszki. Jak skończysz, zrób przerwę ok. dwa, trzy tygodnie i powtórz fiszki kilkakrotnie w dwóch turach, w kolejnych dniach po 25 sztuk. Efekt gwarantowany 🍌

Ważne info: JEŚLI NIE WIESZ, JAK SIĘ WYMAWIA DANĄ FORMĘ, SPRAWDŹ W SŁOWNIKU. Większość słowników online ma już możliwość odsłuchania wymowy, np.

<https://dictionary.cambridge.org/>

Wszystkie czasowniki nieregularne nagrane są w pliku mp3

Nie zapisuj swoich odpowiedzi na pytania. Jeśli chcesz jednak nauczyć się pisowni czasowników nieregularnych, to zapisuj je. Pamiętaj jednak, że w ten sposób nie uczysz się mówić, i możesz w konsekwencji źle wymawiać dane słowo, co może zaburzyć komunikację.

strona A

make made made

Jason _____ delicious pizza.

Jason _____ a delicious pizza on Monday.

Jason _____ a delicious pizza. It's on the table.

Answer the questions.

Do you ever make pizza?

When did you last make pizza?
